

## RED-HOT HUGHES DOMINATE 2017 ATHLETICS CARNIVAL

**MORE  
PHOTOS  
INSIDE!!**

Last Friday we held our annual Gleeson Athletics Carnival and it was a case of Hughes House domination with the Red team showcasing their talent across all events to take out the coveted 2017 Shield.

As in previous years, it was a tight contest overall, however as the day progressed, a distinct battle between reigning champions Fyfe House and bridesmaids Hughes became evident. It was fantastic to see a range of competitors across all events, where House spirit was on display as students jumped in to fill gaps and support their team. Not only was competition fierce in each of the official track and field events, but also in the novelty events and costume stakes, with

## OUR UNIQUE COMMUNITY CONTINUES TO AMAZE!

Our annual Athletics Day was a huge success! With record attendance and terrific participation, it was a magnificent day. Mention must be made of the great effort Year 12 students (staff and parents!) made to dress in their House colours; from the Hulk, Superman and Spiderman, to sauce and mustard bottles, dinosaurs and m&ms!! Very creative! Special thanks of course to Miss Rachel Staffin, the HPE Faculty, and the House Coordinators for their leadership; thank you too to the P&F for giving up their time to run the Sausage Sizzle. Congratulations to the Hughes House who were overall winners, and to Damiani for winning the House Points for House Spirit!

The Parents & Friends Committee are involved in many activities and projects as always, and we welcome several new members to our group: Deb Hobbs, Kim Howard, Melissa Bonney and Anne-Marie Stewart. The committee is planning a number of events this year, including our annual and always popular Quiz Night! Look out for details in upcoming issues of The Globe. The P&F also supports many student-led initiatives, such as new Recycling Bins with a twist! The generosity and support of the P&F are very much appreciated.

Mr Andrew Baker and I met with the Student Leadership Executive (Britney Shorter, Georgia Craggs, Tim Camilleri and Lachlan Agius), and their polished and professional approach is most impressive. Some of the 2017 planning includes the construction of a community garden which will involve the Food and Hospitality and Technology (Construction) learning areas. This is most exciting, especially as plans are underway to apply for a grant through the local council. Thanks to Ms Joanna Bennett for her expertise and support here. Our Student Leaders really are exceptional.

Monsignor Swann celebrated a Staff Mass for us and we acknowledge again his highly valued connection to our Gleeson College family. We are very blessed to be able to have such special celebrations together.

Staff continue to be involved in various professional learning initiatives, one of which is the Languages Network Project run through the Catholic Education Office, the purpose of which is to work together to promote and refine our languages program and align it with Primary School programs. Mrs Kirsty Jeffree (Languages Learning Area Coordinator) and I are delighted that we are working in partnership with St Francis Xavier's School and Saint David's Parish School, and thank Mrs Leanne Lawler (Principal, Saint David's) and Mrs Leonie DeGaris (Principal, SFX) for their schools' participation.

Finally, a thank you to the ambassadors of Gleeson College who compete in Saturday Morning Sport. I was pleased to be able to visit both the Badminton and Tennis teams, and the skill, camaraderie and great sportsmanship are inspiring. Thanks to Mr Jordan Glover (Badminton Team Coach) and Ms Alesia Sala (Tennis Team Coach) and of course to the other Coaches, Old Scholars and parents who make it all possible.

I continue to be amazed at the depth of this unique community and share a deep pride in everything about it. We look forward to sharing our community with Year 7s as we prepare to welcome them next year. **Please be reminded that May 1st is the final date to lodge an 'Application for Enrolment' for Year 7 in 2018.**

Wishing all of our community a blessed week ahead as we journey towards the Holy season of Easter.

## Last Chance to Find out More!

Dear Families,

Following the strong attendance at our Year 7 Information Session a few weeks ago, we are offering one last Year 7 Information session prior to the 2018 Year 7 Enrolment Application deadline of May 1.

From 2018, Gleeson College will offer Year 7 as the first year of secondary school. Having worked to engage with and listen to our local Catholic community, we understand more about what you want to know. We understand you seek clarity around elements such as student leadership opportunities, rite of passage, transition experiences, learning spaces, curriculum and fees.

We invite your interaction, questions and conversations on the night as we share in wine, refreshments and nibbles. Please come along to discover **what Gleeson College can offer your child/ren in Year 7 in 2018 and beyond.**

We believe young people are ready for the learning opportunities provided in Gleeson College's secondary setting. Access to specialist staff and facilities will promote a greater depth of learning, challenge and growth.

We are excited about the opportunity to speak to you on **Wednesday March 29** from 7pm in the **Gleeson College Learning Centre**. College staff will meet and guide you from the car park to the venue. We invite you to register your interest with Rebecca Sinclair on 82826600 or via [rebecca.sinclair@gleeson.catholic.edu.au](mailto:rebecca.sinclair@gleeson.catholic.edu.au) by Tuesday 28 March. When registering interest, please also take the opportunity to lodge any questions or topics you would particularly like to discuss on the night.

Kind regards,

**Andrew Baker, Principal Gleeson College.**

**Do you have family and friends that may be interested in attending our final Year 7 Parent Information Session for 2017?**

If so, please forward to them a warm invitation on our behalf and kindly request they RSVP via email to: [rebecca.sinclair@gleeson.catholic.edu.au](mailto:rebecca.sinclair@gleeson.catholic.edu.au) before Tuesday 28 March. Thank You!

## Year 11 Food & Hospitality Students Showcase Amazing Food-Plating Skills!

The Year 11 Food and Hospitality Class completed their summative assessment task, based on food presentation and menu trends, last week.

Students were required to select and prepare a gluten free recipe (menu trend) that showed either a rustic, sleek or a very contemporary, deconstructed plating trend. The recipe also needed to showcase 2-3 key cooking skills considered challenging enough for a Year 11 standard dish. The class went above and beyond expectation, plating up an array of amazing sweet and savoury dishes that truly looked like they had come straight from the kitchen of an exclusive Adelaide restaurant! The flavour combinations presented were also divine and the use of texture was excellent!

Congratulations Year 11 Food and Hospitality on an outstanding cooking practical!

Mrs Sarah McLoughlin,  
Year 11 Food & Hospitality Teacher

### Notifying the College of Student Absence >

If your child is absent on any given day it is highly important that parents and caregivers notify Student Services or College Administration so these details can be entered accordingly to maintain attendance records.

The various ways in which you can notify the College of any absence, including family holidays or students arriving late or needing to leave school early etc, is as follows:

- Via SMS message to our **SMS Absentee Line > 0438 879 373**
- Through **Skoolbag App Notification** > Details on how you can download this app can be found on the Home Page of the College website [www.gleeson.sa.edu.au](http://www.gleeson.sa.edu.au)
- **Phone Call to Student Services** on **8282 6634** or **College Administration** on **8282 6600**

Anytime a student is required to leave school early, it is important a note is written into their diary so that this can be shown to the relevant subject teacher, and Student Services, at the required time of departure.

We thank you for your continued support and if you have any questions, please contact the College on 8282 6600 or via the College email [gleeson@gleeson.catholic.edu.au](mailto:gleeson@gleeson.catholic.edu.au)

# RED-HOT HUGHES DOMINATE 2017 ATHLETICS CARNIVAL

*Continued from front page...*

Senior students modelling their own unique House-inspired outfits! Well done to all Houses and their student members for having the highest attendance ever at an Athletics Carnival, and for driving such fantastic House spirit and support for all students who participated.

The success of the day relies on students and staff and I would like to thank everyone for their participation and help in the lead up to, and on the day. Congratulations to all House Captains for their tireless work in organising and encouraging their team. Our House Captains were the first to nominate themselves to fill spots in events, ensuring every point possible for their team's tally, and must be commended for their enthusiasm, spirit and leadership displayed. To Damiani House, congratulations on having the least number of absentees on the day and for winning the House Points - a great achievement!

Thank you to all staff for their support in facilitating the carnival, with special mention to our Property Management Team, Mr Rob Searle and Mr Allan Glover, who prepared the oval superbly, assisted with set up and pack down and ensured the day ran smoothly. Thank you also to Mr Gerald Carey for his expertise managing the event recording system and to House Coordinators and PE Staff for their assistance - many hands make light work!

Last but not least, I would like to thank all our GC Old Scholars who gave of their time to come back and assist us marshalling events. To Jordan Glover, Kimberley Elliott, Dion Kirk, Sarah Pope, Stephanie Curnow, Madison Glover, Adrian Caruso, Amy Uglesic and Zach Schwarz - your valued contribution is so greatly appreciated!

A big congratulations to Hughes House Coordinator, Mr Adrian Ranieri, and all students and staff of Hughes on their commanding victory in 2017! With six out of eight Age Group Champions wearing red, it truly was a powerful display of athletic prowess by Hughes House!

**Miss Rachel Staffin,**

## DOUBLE GOLD FOR BRADEN AT CYCLING AUSTRALIA TRACK NATIONALS!

Congratulations to Year 12 Braden O'Shea (12 FSIMB) on his exceptional performances winning Gold in both the U19 Scratch Race (40 laps) and 1km Time Trial (Kilo) events at the recent 2017 Cycling Australia Track National Championships held at Anna Meares Velodrome in Brisbane.

In the Kilo, Braden broke the National Championship Record and 'All Comers' Record (fastest time in Australia by any rider from any nationality), and in the gruelling Scratch Race he overpowered the field in the final two laps to take line honours. To cap off a brilliant championship, Braden also won Silver medals in the Madison and Elite Team Pursuit events for SA. Check out the following link to watch Braden in the Scratch Race Final (go to 2 hour 14 min. mark to view the exciting final six laps!): <http://www.cycling.org.au/News/All-News/tracknats-day-4-live-stream>

Braden and SA team mate Cooper Sayers then joined together to contest the Bendigo International Madison in

Victoria the following weekend (March 12). The talented duo finished in a credible 7th position in this fast-paced spectacular! Well done Braden!

## MORE CYCLING NEWS... Congratulations State Reps Declan & Emerson!

Congratulations to Declan Key (10 MSEL) for winning a Bronze medal for South Australia in the U17 Men's Team Sprint at the National Junior Track Cycling Championships held at Dunc Gray Velodrome in NSW recently. Declan and his two SA team mates rode a time of 49.556 seconds to edge out Victoria by over half a second to take third place overall in the final.

Well done also to Year 10 Emerson Nugent (10 FSRUT), who admirably represented SA in the U17 Junior Men's division at the National Championships. Emerson and the SA boys claimed 4th place in the Teams Pursuit Final - a fantastic effort in a highly competitive field!

# What rules should you have around digital devices?

By Michael Grose

*Young people's digital technology needs to be managed and monitored by parents. That means we need to have some rules and guidelines in place.*

Only a few short years ago the biggest question making the rounds of parents about tweens and teens was if their young person should have a mobile device. Now it's a matter of when, not if they get a mobile phone. Increasingly, young people are beginning secondary school as experienced digital users with many coming to secondary school on the first day with a tablet in their schoolbag and a mobile phone in their pocket.

One thing is certain, technology is an issue you'll struggle with for the rest of your parenting life. We've created the technology and unleashed it on our kids and now we seem to be scrambling like mad to keep up.

Adding to this complexity is that fact that technology keeps changing rapidly. We just come to grips with one device or app when a new one comes along that we have to learn about.

Technology is here to stay. It's no point being doom and gloom as digital technology has so many advantages. For instance, most parents report that they feel safer when teenagers have their own mobile phones because of the GPS features, that allow them to know the whereabouts of their young people. Teenagers also report that their mobile provides an important communication safety net for them as the driver for greater independence takes them further from home.

You'd have to be living under a rock not to realise that digital technology also presents new challenges such as cyber-bullying, gaming, worries about

social media, and young people's exposure to inappropriate images. On top of this digital technology gives young people access to a virtual world that is totally seductive particularly for those with poor impulse control. Also the nature of technology means that young people can spend a lot of their time heads bent and staring into a screen, which is not healthy in the long term.

Young people's digital technology use needs to be managed and monitored by parents. That means having some rules and guidelines in place. Every family makes up their own rules to suit their circumstances but here are some suggestions that will help you put some order into the digital devices that come into your home.

## **1. Know what the rules and expectations are at school**

This is a great starting point for families. Every school is different – some allow mobile phones to be kept in student lockers or backpacks, while others allow limited mobile phone usage in-between classes or even during class time to aid with assignments. Make sure that you and your child know what the rules are at school. Importantly, support the school and align your expectations with those of the school.
