

GLEESON'S BIGGEST CUP OF TEA > Raising Our Cups for Charity

On Wednesday, McDonald House hosted Gleeson's third annual 'Biggest Cup of Tea' and 'World's Greatest Hairspray' to help raise vital funds for cancer research and support services.

Our aim, to put the McDonald Motto of 'Truth, Courage & Unity' into action, and raise \$2000 to support the Cancer Council and Leukaemia Foundation. As a College Community, we were able to smash our goal as more than 150 staff and students attended the event! Donations are still being collected so there is still time to contribute to our final total, which will be announced next week. This year's function was a great success thanks to the many wonderful helpers. The participation and excitement our students brought with them set the tone as we all enjoyed a hot drink, some delicious food and each other's company. Many thanks go to the McDonald Care Group Teachers and a special thanks to Miss Ashlee Curtis and Miss Lisa Feleppa for their support and organisation, especially for the catering provided by their amazing Food & Hospitality Classes. Thanks to all students, staff and families who supported the occasion, we hope next year to grow the event and raise even more much-needed funds.

"As a faith filled community we will keep those that have lost the fight, won the fight and are still fighting Cancer in our thoughts and prayers."

Mr Steven Hicks,
McDonald House Coordinator

DON'T KEEP HISTORY A MYSTERY

DEPSLA Meeting at Gleeson College

A meeting of the Deputy Principals and Senior Leaders Association (DEPSLA) of Catholic secondary schools was held at Gleeson College on Tuesday this week. This is but one event that we have hosted and will host, in conjunction with the move of Year 7 into Catholic secondary schools in South Australia.

One of the elements of our presentation concerning the transition of Year 7 to secondary school was a Q&A (questions and answer) panel consisting of four Year 7 students (see photo below). They were amazing! They were able to answer questions in front of 30 school leaders with an eloquence not expected of 12 and 13 year olds. They showed an intimate knowledge of the school, their learning and the differences of being in a high school compared to a primary school. All attendees were left gobsmacked! The student panel consisted of Ava Cannard, Lachlan Cannard, Brandon Hendricks and Scarlett Hatchard. We are immensely proud of them.

A multimedia presentation and another Q&A panel of staff followed this. They were also brilliant and certainly much

appreciated by our visitors. Overall, it was an excellent meeting and a fantastic way for us to support the various Catholic schools that are taking Year 7 students into a high school setting in 2019.

National Reconciliation Week

> Don't Keep History a Mystery

National Reconciliation Week is celebrated each year from May 27 to June 3. The week is preceded by National Sorry Day on May 26. The dates commemorate two significant milestones - the anniversary of the successful 1967 referendum (where over 90 per cent of Australians voted to give the Commonwealth the power to make laws for Aboriginal and Torres Strait Islander peoples and recognise them in the national census. The second commemorates the High Court Mabo decision that legally recognised that Aboriginal and Torres Strait Islander peoples have a special relationship to the land - that existed prior to colonisation and still exists today. This decision paved the way for land rights called Native Title. Amongst other celebrations, this year some staff and students attended the 'Reconciliation in the North' Morning Tea, an event hosted in the Golden Grove Recreation and Arts Centre yesterday (see photo top).

I would like to share the following prayer with our community in this very important week:

Aboriginal Our Father

*You are Our Father, you live in heaven
We talk to you, Father you are good*

*We believe your Word Father
We your children, give us bread today*

*We have done wrong, we are sorry
Help us Father not to sin again*

*Others have done wrong to us
And we are sorry for them, Father today*

*Stop us from doing wrong, Father
Save us all from the evil one*

*You are Our Father, you live in heaven
We talk to you, Father you are good*

- The Lord's Prayer from the "Missa Kimberley"

Catholic Education Week

Today also marks the start of Catholic Education Week for which we have a number of events planned in Week 5. More details in The Globe next week!

Deputy Principal

With Sympathy

The thoughts, prayers and support of our Gleeson College community are with Nicholas and Tahlia Schrapel (Year 12) and their family on the recent passing of their maternal Grandfather.

May he rest in peace and God comfort his family and friends at this sad time.

Rest In Peace

DAMIANI HOUSE > Positive Thinking, Health + Wellbeing Session

On Wednesday, Damiani House took an opportunity to stop and share in a number of enjoyable experiences. The Personal Development Program (PDP) timeslot saw students from across the Damiani Middle School Care Groups undertake three different activity rotations to promote positive thinking, health and wellbeing, while also finding the joy in their days.

Students in Years 7-9 collaborated in a balloon-building activity, which required strategy and teamwork to create a freestanding tower of balloons with limited resources available. The Middle School also engaged with some mega games, including foot-pool, mega pong, giant jenga, supersized connect four and mega tic-tac-toe, many of which were recently purchased with the support of the College's P&F Committee.

Finally, the Middle School, after taking some time to learn about schools and schooling resources in other parts of the world, students were asked the question, "what is the best thing about our school?" They then had to decide what this was, and as a small group, capture their "best thing" as a photo to share with their peers.

Similarly, during the Senior School rotations with the Year 10-12s, students were also asked to visually define their best thing about our school, and came up with some varied and thought-provoking responses to this concept. Beyond this, students took part in some board, card and dice games to remind them to find the joy in their days, even when the stresses of their final years of schooling becomes a little overwhelming. The other stop on their cycle was a physical session on the oval, involving some trick shots with footballs, soccer balls, frisbees and vortexes - once again stressing the value of a balanced and healthy outlet when needing that break from school.

Thank you to all of the people who helped make this session run so smoothly and to the students for actively participating in all of the rotations.

Mr Josh Boden,
Damiani House Coordinator

YEAR 10 FOOD & HOSPITALITY > 'Eating for Health' Unit Showcases Veggies

In the current unit 'Eating for Health', the Year 10 Food and Hospitality General Class are learning about the importance of vegetables to maintain a healthy lifestyle and diet.

We are encouraged to eat vegetables with most meals to meet the daily recommended five serves of vegetables, and in some places of the world it is seven serves per day! By the end of the unit students will have created a magazine spread informing the reader of what a serve of vegetables looks like, benefits of eating vegetables and 'swaps' that can be made to daily food choices.

Part of their assessment also requires them to reflect on their vegetable intake.

To support student learning we made grilled vegetable panini with pesto and capsicum relish in class. While cooking the grilled vegetables students worked in groups to investigate what a serve of vegetables looked like (raw and cooked) and then photographed them to use as visuals on their magazine spread.

All students enjoyed making and eating the recipe, with many very surprised they actually liked the taste of the vegetables they previously refused to try!

YEAR 12 FOOD & HOSPITALITY > Adelaide Hills Fresh Food-Fest!

Year 12 Food and Hospitality students enjoyed a 'foodies' day out at the Adelaide Hills last week.

Local chefs from the Seasonal Garden in Hahndorf (Chef Zana) and The Locavore in Stirling (Chef Connon) engaged our students, allowing them to walk through and pick vegetables from their café gardens, and spoke about the benefits of sustainable practices. These included sourcing and growing ingredients locally, food miles, sharing produce with their local community, recycling bottles for local CFS and Scouts and upcycling food produce using coffee grind for mulch. The aim of the excursion was to provide valuable primary sources to support the students in writing two research response papers. The success of the excursion has created a lot of conversation amongst the students and they are looking forward to putting what they learnt to paper to show off their newfound knowledge, observations and experiences!

Miss Lisa Feleppa,
Year 12 F&H Teacher

What the students had to say...

"We had a great excursion to The Seasonal Garden, Hahndorf and the Locavore, Stirling. Visiting both places and talking to chefs was very beneficial for our Free Foods and Sustainability assignment. We learned a lot about how restaurants and cafés cater for many dietary requirements, and we were also fortunate enough to taste some of their delicious food, especially vegetables picked straight from their garden."

- Maddy D & Anastasia

"I enjoyed learning about the way restaurant staff must know about what to do for people with different dietary requirements, and the food tasting!"

- Anthony T

"We thoroughly enjoyed our excursion to Hahndorf and Stirling. We particularly enjoyed the Seasonal Garden café, as it was beneficial to our assignment and it was a very relaxed, yet quirky environment. Their use of fresh produce straight from their garden demonstrated sustainability of the food and hospitality industry at its best."

- Elise, Maree, Brianna & Emily

YEAR 12 FOOD & HOSPITALITY > Adelaide Hills Fresh Food-Fest!

"Our visit to the Seasonal Garden and The Locavore café was enjoyable as we got the opportunity to speak with the chefs and owners. We were able to gain knowledge on how they cater for dietary requirements and how to keep their businesses sustainable. We found that the Seasonal Garden grew most their ingredients, whereas The Locavore source their ingredients from a 100 mile radius. Something that stood out to us with both cafés was that they both emphasis on sustainability and keeping their produce fresh and local."
 - Tiana & Kate

"It was great to spend the day in the Adelaide Hills! We learned about sustainability and how chefs work around people's dietary requirements. Particularly, I learned how chefs cater to dairy free customers and how their kitchen operations differ. Different chopping boards and ovens are used when catering to gluten free customers. It was interesting to see at the Seasonal Garden how they grew just about all of their produce which meant their menu was very flexible." - Sam & Anthony D

YEAR 11 CROSS CAMPUS DRAMA > Agatha Christie's 'The Hollow'

Congratulations to Year 11 students Emily Unewisse (11 DSAKN) and Maybelline San Juan (11 FSMIL) who shone on stage in the Pedare Drama Performance of Agatha Christie's 'The Hollow' last week.

The audience enjoyed a fabulous show delivered by a very talented young cast. Well done to Emily, Maybelline and the Year 11 Cross Campus Drama Class!

GLEESON COLLEGE UNIFORM

> New Monogrammed Tailored Pant

The 2017 Student Leaders sought permission to introduce a formal female pant as an alternative to the College winter skirt.

Students collaborated to identify a preferred smart style from eight different options. Following this, a size run of the style was provided to students across a range of year levels and body shapes, and in-turn agreed as the desired new alternative. The pant style was endorsed by the Gleeson College Board.

The Gleeson monogrammed tailored pant can be purchased from Devon Clothing at the Campus shop and at the retail store (Totally Schoolwear) at Clovercrest Shopping Centre, Modbury. The quality of the garment ensures it is long lasting and includes comfort features of a corporate pant.

Girls have the choice to wear either the College skirt or College pant during Terms 2 and 3.

GC TEAM REPRESENTS @ SAPSASA CROSS COUNTRY CARNIVAL

In challenging weather conditions, five eager Gleeson Year 7 athletes contested the Tea Tree Gully SAPSASA Cross Country District event held at Bulkana Oval last Friday.

This was an exciting opportunity for these students to compete in the wind, rain and mud on the day, allowing them a true 'cross country' experience on the 3km course. Well done to Mercedes Bates (7 PUT), Seth Carpenter (7 PUT), Jacob Hinttala (7 PUT), Tyson Murphy (7 BAR) and Alanah Skewes (7 BAR) who all represent the College with pride.

All students are to be congratulated on completing the grueling 3km course, with special mention to Mercedes Bates who ran exceptionally well to finish 3rd overall in the Girls 13 Year Age Division, with a speedy time of 11mins 44.91secs.

Mercedes outstanding performance will see her contest the SAPSASA State Cross Country Championship to be held at Oakbank Race Course in Week 6 and we wish her all the best for a great race.

GLEESON TEAM ON POINT @ DANCE STAR COMPETITION 2018

After the success of previous years, Gleeson College Dancers entered a record number of 15 entries into the Regional Section of the National School Aerobics Dance Star Competition held at the Golden Grove Arts Theatre on Friday 11 May.

Students worked hard during lunchtimes and a few lesson times to prepare items in a range of genres and groupings from solos to small team routines. I would like to celebrate the efforts and talents of the students involved:

Year 10 > Starzya Hope, Brea Hurst, Emily Papalia, Arieta Rokosawa, Chelsea Rulla, Chelsea Schwarz, Phoebe Surman.

Year 9 > Taliyah Lee Archer, Sarah McIver, Alysia Redel, Katherine Stavropoulos, Imogen Verrall, Tarsha Viskic, Taylah Viskic, Ellen Welden with special thanks to Lucy Kessner.

Year 8 > Hayley Edwards, Rachael Ovenden, Camryn Reschke.

More than half of our entries scored high enough points in the creative and technical judging to qualify for the State Finals, to be held on June 23. The dancers and I would like to offer special thanks to Mrs Carly Meakin and Mrs Tanya Welden for their support at the event, and thank you to all the parents and staff who have supported us in our journey.
