

GLEESON MAKES HISTORY IN 2018 > Year 7 Introduced in our 30th Year!

We warmly welcomed 200 new Year 7 and Year 8 students, and their families, to our Gleeson College Community on Monday. Principal Andrew Baker, along with GC Staff and our 2018 Student Leadership Group, addressed our newest members in the courtyard where we shared a prayer and blessing for the exciting year ahead. Gleeson College is the first and only Catholic stand-alone secondary school to implement Year 7 into high school in 2018!

We had distinguished visitors join us for this celebration and we sincerely thank the following special guests for their attendance > Dr Neil McGoran, Director CESA, Susan Young, Assistant Director Leadership Development CESA, Michael Kenny, Assistant Director People and Culture CESA and Steve Genesin, Principal's Consultant CESA. We also had both Channel 10 and Channel 9 TV Crews visit us and interview Principal Baker and some of our new Year 7 students! *Check out four of our amazing new Year 7 students Lachlan, Ava, Piper and Daniel representing the College with pride on their first day of high school on Monday (Ten Eyewitness News): https://youtu.be/_3MWGZqPLoY

We were most excited to see that our Year 7 story featured on the 'big 4' TV stations on Monday night - ABC, Channel 7, Channel 9 and Ten Eyewitness News! Our Principal Andrew Baker was also interviewed on ABC Radio on Monday morning and we even had a mention in the Daily Mail UK!

2018 > A SPECIAL MILESTONE IN OUR HISTORY

our patron Archbishop James Gleeson called us to be.

On Monday, we had the pleasure of welcoming 200 new students and their families to our community, including the historic intake of Year 7 students for the first time. We were joined by the Director of Catholic Education, Dr Neil McGoran and a number of other key personnel from the Catholic Education Office to welcome our new students as the first Year 7 intake into a secondary school setting in South Australia. It was a very special day for our College and the new Year 7 and 8 students have settled in beautifully to their new community. We look forward to the next 5-6 years of their faith and learning journey with us.

We have also welcomed a number of new staff to the College, and already they have brought energy and new ideas to our school. A list of the new staff can be found in this addition of the *Globe*, along with other key staff contacts for your reference (page 3).

The Australian Bishops have identified 2018 as a national 'Year of Youth'. This year calls for dialogue and active engagement focussed on the reconnection and renewal of a new generation in the life of the Church. Gleeson College, as an expression of the Church for young people, will be celebrating this important year in a number of ways, and we will continue

**30 YEARS
WITH ONE HEART**

to seek new ways of engaging young people and their families in their spiritual journey.

On Monday, I led our community in praying the following blessing over our new students, and it is my wish for all in our community in 2018:

*May God, Who loves and holds us all, let the Spirit guide our new students and staff in the ways of compassion and justice,
May they reflect the heart of God, sure in faith, strong in hope, built on love, and may they become all that they are called to be at Gleeson College. Together we pray with One Heart, Amen.*

Mr Andrew Baker,
Principal

2018 REGIONAL MASS

>Thursday 25 January

Staff from all four Catholic Schools in our North East area (Gleeson, Our Lady of Hope, Saint David's & St Francis Xavier's) came together at OLOH for our annual Regional Mass, celebrated by Fr Leo Mifsud OMI from St David's Parish.

It was a wonderful opportunity to welcome in the 2018 school year and further enhance and strengthen the vibrant relationships we have between our schools and staff.

A big thank you to Our Lady of Hope for hosting this year's Regional Mass and for the delicious morning tea we enjoyed afterwards!

GLEESON VISUAL ARTS TALENT LUCY KEATCH NOMINATED FOR SACE ART SHOW!

Congratulation to 2017 Dux of College and Year 12 Visual Arts Merit Award recipient, Lucy Keatch, on her amazing artwork titled 'Come Back', which was recently nominated for inclusion in the prestigious 2018 SACE Art Show.

Lucy's second practical piece is a Prismacolor triptych of three members of Lucy's family who have passed (main photo). Her goal was to never forget their faces, and to make sure her illustrations of her family members would always be remembered. Lucy's artwork displays an exceptional level of precision and skill in application, while also communicating a personal and loving theme. Lucy will be studying a Bachelor of Contemporary Art at Adelaide University this year and we wish her well in her creative pursuit and continuous passion for Visual Arts.

GC BOYS STELLAR ON THE PITCH FOR SOUTH AUSTRALIA @ PACIFIC GAMES!

Congratulations to Gleeson elite footballers Isaac Mullen (Year 11), Harrison Conant (Year 9) and Bradley Willcocks (Year 9) who all put in outstanding performances on the pitch for South Australian at the 2017 Pacific School Games held in Adelaide in December.

All three boys were selected in the SA Secondary Schools Under 16 State Team, the highest contingent from any school in SA, who honourably earned the title of runners up to 2017 winners New South Wales, and were all presented silver medals.

Special congratulations to Isaac (pictured at right), who was consistently exceptional for SA, and was duly rewarded for his efforts with selection in the 2017 All Australian Schoolboys Team - an amazing achievement.

Well done Isaac, Harry and Brad – our Gleeson community are so proud of your efforts representing both your College and your State!

GLEESON COLLEGE CAR PARK COURTESY

Dear Families,

Car park congestion seems to be a common phenomenon in schools especially at the beginning of a new year. With fewer students riding bikes, walking or catching buses to school, and with student numbers growing at our College, the number of cars has increased markedly. The following information serves to help alleviate the congestion we are experiencing and more importantly ensure the safety of our students, staff and families.

Entry to the carpark:

Is always from the top entrance by the Gleeson College sign from Surrey Farm Drive (please refer to map above). Please remember to travel along Surrey Farm Drive at no more than 25kmph when students are present. Slow down to 10kmph once you have entered the College car park.

Moving through and out of parking bays:

All parking bays are one way, running away from the main administration building. If you have travelled along the bottom bay by the oval and been unable to find a park, then you must not turn directly into the next bay entering and travelling in the reverse direction. This is when traffic jams are caused. Instead, the only option you can take is to proceed out of the car park onto Surrey Farm Drive and then re-enter from the top entrance.

Dropping students off:

After entering the carpark proceed to the drop off/pick up zone located

adjacent the oval. Please do not drop off students before the first zebra crossing as this causes traffic to bank up and out to Surrey Farm Drive. The spot marked X on the map above is particularly bad for this.

Picking students up:

As a general expectation, students should wait in the drop off/pick up zone adjacent the oval. Cars should move as far along the oval towards the exit before stopping to pick them up. Students can also be picked up from the other bays where cars will pull into a vacant space and wait. Please take special care along the road that travels past the main administration building at all times of the day as there are two pedestrian

crossings that drivers need to be aware of that are in operation throughout the day. Please do not pick up students at the spot marked X on the map above as this causes traffic to bank up especially in the afternoons.

Please note:

Always move to the most advanced space available to allow following cars to enter and to avoid a build-up of vehicles. Do not stop in the middle of a parking bay, which may cause blockages. At the busiest of times, some cars may need to proceed out onto Surrey Farm Drive and move down below the bus zone to park and wait.

Time saving suggestions:

Some parents work out particular pick-up points outside of the car park to meet their children, even in streets beyond Surrey Farm Drive. Some parents will arrange pick up after the peak period. Traffic is usually clear by 3.40pm

Over the years we have noticed that the traffic congestion does get better after the first 3 weeks or so once families adjust to new routines.

We thank you for your ongoing support in keeping our students, staff and families safe in our College car park.

Mr Shannon Bertram,
Assistant Principal - Student
Development

Senior Maths Help

Senior Maths Help is available again this year! Students in Years 10-12 are welcome to come to Senior Maths Help every Wednesday from 3.30-4.30pm in T1-2.

Here students are able to work with their peers and a Senior Maths Teacher to complete Maths homework, go over ideas and/or assistance completing assignments. Permission slips have been emailed out to all families via the CELT system and this form must be returned to Mr Bond if a student wishes to attend.

For more information on Senior Maths Help, please see Mr Bond.

Mr Timothy Bond,
Numeracy Coordinator

Gleeson College offers students the opportunity to work in a quiet, supervised environment, with guidance and assistance from staff, at Homework Club.

Homework Club runs from 3.30-4.30pm (Monday - Thursday) in the Multi Media Room, with many benefits on offer for our students. Students from across all year levels are able to receive guidance to complete homework, projects and/or assignments and gain specialised assistance to help understand subject content.

Homework Club will start in Week 2 of Term 1 and continue through to Week 7 of Term 4 and is an extension activity offered to students to assist them to achieve excellence. To ensure students receive personal attention and support from supervisors, Homework Club will be limited to 25 positions each afternoon session, with bookings essential. **If your child/ren are interested in attending Homework Club in 2018, head to our Gleeson website and download the Application Form:** <https://www.gleeson.sa.edu.au/homework-club.html>

Please print, complete and return this form to Reception or the Flexible Learning Centre as soon as possible. Alternatively, you can also collect a hard copy from Reception. For more information, please contact our Homework Coordinator, Ms Joanna Grotto, via email at: joanna.grotto@gleeson.catholic.edu.au

John XXIII Community Centre

TRASH & TREASURE MARKET
50 Reservoir Road, Hope Valley
2nd Saturday of Each Month
8am – 12Noon

BUYERS and SELLERS WELCOME!!

On the 2nd Saturday of each month, John XXIII Community Centre will be hosting a Trash & Treasure Market to raise funds for the Para Hills Modbury Catholic Parish. It will only cost \$10 per stall for sellers (up to 3 car park spaces) and will be a great chance to sell those unused articles and raise some money for yourself or your organisation.

It costs nothing to come along, so visit us to see what's on offer and grab a great bargain!

Donations can be placed in the box in the John XXIII Centre foyer, the cry room at Holy Trinity Church and/or delivered to us on Market Day. Please note we can no longer accept large items such as TVs, mattresses, sofas, wardrobes.

This successful fundraiser has continued for more than 25 years and is run by volunteer parishioners who need our support.
